Easter Greetings

Easter is without a doubt one of the most favorite times of the year for any Christian. Many point to Christmas being their favorite holiday, but for many, Easter is absolutely the greatest holiday of them all.

There's something special about celebrating the resurrection. The holiness, the joy, the truth of knowing that Jesus conquered the grave not only for himself, but also for all of us. We are reminded of the words of one of the popular Easter songs, "He Lives." The second stanza says, "*In all the world around me I see his loving care, and though my heart grows weary, I never will despair. I know that he is leading through all the stormy blast; the day of his appearing will come at last.*" Jesus rising from the grave is at the crux of the Christian faith. Jesus' resurrection proves that death is not the final word, that Jesus' sacrifice has purchased us a home in heaven. Glory to God for this blessing!

But in order for us to fully appreciate the joy of Easter, we must also continue to embark upon the season of Lent. It is our hope you have been able to participate in the Lenten season through prayer and to fully prepare yourself for the coming of the Savior.

On Maundy Thursday, April 2nd at 7pm a Tenebrae service is planned. Please join us for a very powerful service in which we will remember the crucifixion of Christ, and share in reading the scriptures that remind us of His sacrifice. It is an intimate service in which there will be time for prayer and reflection.

Take time in the days ahead to wander through the sanctuary and view the different stations of the cross depicting Christ's journey, crucifixion, and resurrection.

On Easter morning we once again offer a morning sunrise service at 6:30am at the Cemetery Pond and at 10am our Easter morning worship service.

Please join us for these special holy week services as we prepare our hearts and minds for the Savior's resurrection!

Why are eggs associated with Easter?

In many pre-Christian societies eggs held associations with spring and new life. Early Christians adapted these beliefs, making the egg a symbol of the resurrection and the empty shell a metaphor for Jesus' tomb.

In the medieval period, eating eggs was forbidden during Lent (the 40-day period before Easter).

On Easter Sunday the fast ended with feasting and merriment, and eggs were considered an important part of these celebrations. This was especially true for poorer people who couldn't afford meat.

Eggs were also given to the church as Good Friday offerings, and villagers often gave eggs as gifts to the lord of the manor at Easter.

Royals got involved with this tradition too. In 1290, Edward I purchased 450 eggs to be decorated with colors or gold leaf and then distributed to his household.

Why do we have egg hunts at Easter time?

The custom of the Easter egg hunt, however, comes from Germany.

Some suggest that its origins date back to the late 16th century, when the Protestant reformer Martin Luther organized egg hunts for his congregation.

The men would hide the eggs for the women and children to find.

This was a nod to the story of the resurrection, in which the empty tomb was discovered by women.

Our new children’s “wobble worship” time held during the morning worship service is open for children in Kindergarten up through 4th Grade. **Check it out!**

ENDOWMENT FUND

Provide for the People and Causes You Cherish Most

An up-to-date estate plan is one of the most effective tools for protecting the security of your loved ones. But did you know that you can also use your plan to play a role in carrying out the vital mission of Union Methodist Church?

When you create a will or living trust, you have the ability to decide how your assets will be distributed at your death. You can include provisions, or bequests, that indicate to whom you'd like to give specific assets or amounts.

Besides naming family members and other loved ones, you can also include bequests to charitable organizations such as your home church. When you include an endowment gift to Union Church in your estate plans, you join a group of instrumental supporters whose donations have made possible some of our most innovative and effective programs. We give thanks to those in the past that have given endowments that have benefitted and secured the future of Union Methodist Church in Bridgeville.

HOW WE TREAT OUR CHURCH

@saltandlight.words

- We don't mind being late for church..
- We miss church because we say we are tired from work..
- We spend 2 hours a week in church and complain if the service is too long..
- When we are confronted for our mistakes in church, we quickly transfer to another church..
- When we are called to be in church other than on a Sunday, we make excuses that we are busy..
- We check our phones during church service..
- We stay away from responsibilities at our church..

HOW WE TREAT OUR WORK

- But we try our best not to be late for work.
- But we never miss work for church.
- But we go for 8 hours a day for 5 or 7 days, excluding overtime, but never complain.
- But when we are confronted for our mistakes at work, we apologize and promise to do better.
- But when we are called to work on a Sunday, we miss church and give excuses that we have to work.
- But we turn our phones off at work and never complain.
- But we work hard and volunteer in our places of work to be promoted.
